### AUSTRALIAN ISLAMIC COLLEGE (PERTH) FRAUD ALLEGATION INVESTIGATIONS

Following the investigation and seizure of documentation from the offices of the Australian Islamic College on Tuesday 30<sup>th</sup> January 2007, the college would like to make the following statement to the media and community in relation to this event;

The Australian Islamic Colleges main focus has always been the education, welfare and spiritual well being of all of our students, staff and their families. At this time we would appeal to the medias understanding in relation to these allegations. We understand that the Muslim community has in the past been of great interest in the media and we appreciate that this situation is current news. We request that your focus is on information in relation to the allegations made against the college and not a reflection on the Muslim community as a whole.

The college is awaiting further information from the authorities in regards to the investigation of the allegations of fraud brought against the College.

As stated in the media NO charges have been laid and investigations are still progressing.

As always, the welfare of the colleges students, staff and families are our highest priority and we thank the community for their ongoing support whilst the colleges' face these obstacles.

Currently we are cooperating with the authorities to facilitate a timely resolution to this matter.
