Mathematics Learning Area Year 12 Mathematics Essential

HOLIDAY HOMEWORK

End Term 2, 2017

- All students (OLNA & non-OLNA) must study chapter 9 of the textbook for the next assessment.
- OLNA students will receive hard copies from their teacher to practice for the coming OLNA test.
- All students must revise the entire syllabus to catch up the topics which they did not learn properly.

Wassalam Alaikum. Have a safe winter holiday.
