Fees are payable one semester (6 months) in advance, and no less than two weeks prior to the end of the prior semester. All fees must be paid in Australian dollars.

If a student changes visa status (eg, becomes a temporary or permanent resident) they continue to pay the full overseas student fees for the duration of that current semester.

Refunds will be reimbursed in Australian dollars and the payment will be sent to the applicant's home country, unless otherwise requested by the student and/or their parent/guardian in writing.

Refunds will be paid to the International Student or their parent/legal guardian or other person specified in the written agreement.

Notification of Withdrawal and Applications for Refunds:

- All notifications of withdrawal from a course must be made in writing to the Principal one semester in advance.
 Written notice must be received before the start of the student's last full semester of enrolment.
- All applications for refunds must be made in writing, and submitted to the Principal, who will confer with the Business Manager.
- The College will refund, within 28 days, all course monies paid where the student's application for enrolment is
 refused by the College or the student produces evidence that the application made for a student visa has been
 rejected by the Australian immigration authorities.
- Fees are not refundable where a student is requested to leave the College due to breach of visa conditions or a serious breach of College rules and Student Code of Conduct.
- If for any reason the College is unable to offer a course or continue to offer a course after commencement, a full refund of tuition fees paid will be made within 14 days of notification of course cancellation. Enquiries regarding refund calculations can be made to the Administration office. Students or parents have up to 20 days to lodge a formal complaint from the date they receive remittance advice of their refund. This must be done in writing addressed to the Principal.
